**Please note that liquidity and spreads can change due to market conditions. (This is an example for EURUSD & XAUUSD)

Note 1- The information in this table is correct at the time of publication, we reserve the right to change its contents at any time.

Note 2- Rollover Swap rates are released weekly by the financial institutions we work with and are calculated based on risk-management analysis and market conditions. If your trading account currency is other than the account's base currency (USD) then currency conversion charges will apply. Your bank, intermediary banks, merchants, or other parties may make additional charges to your transactions. Other Regulatory Fees and Overnight position fees may apply.

By receiving this information and subject to your account being opened, you agree and acknowledge the terms of this fee schedule, in case of any queries email us at cs@lunaro.com or call us on +971 527223027.
